DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This 3 story 2 bay flat roofed house is of common bond brick, the right unit of a pair that share a sally port. Early 19th century in style they probably once had sloped roofs.

The solid entrance door on the right has a stoop of concrete covered brick with 4 stair running parallel to the wall. There is a boarded up cellar window on the left. All the windows are 6-over-6 double hung brick sills and wood lintels. There is a solid panel over the door which also has a wood lintel. A band of relief brick ornamented with a row of brick dentils appears at the roof line.

The brick has been crudely repainted and the wall under the level of the 1st floor window sill is painted grey. The house is located in mid-block on an alley.
